I confirm that:

- I have read the written instructions regarding these craft given to me by the club and will paddle as advised observing the advice in those instructions on what should be taken
- For the avoidance of doubt the written instructions include that buoyancy aids must be worn and mobile phone in waterproof case must be taken plus torch if time of paddle may mean returning in dusk.
- Boats must not be dragged leant to one side but rolled level.
- I have looked at the videos referred to in the document
- I have read the tides instruction information referred to in the document
- I will stay within the usage area indicated on the map on the cupboard door where the equipment is kept
- I understand that persons under 18 must always be accompanied on the water by an adult who is a member
- If I take out a guest/potential member I realise I must accompany them on the water at all times and am responsible for their safety and I will inform them of all necessary information to ensure safety
- If I take out a guest/potential member I will make a donation in the box provided and record the name and address on the form adjacent
- I will not take out any potential member more than three times after which they must become members themselves
